DO YOU WANT SOMETHING SPECIAL ?

We don't do BIG GROUPS...

But we do, work with SMALL Groups and we really do it well. Our maximum group size is 28 and right down to a minimum of 4 guests. From business groups to extended family travel, or friends, we focus on the detail and we include the fun stuff.

From city bistros, (yes, we avoid dining in hotels....), to sundowners on Table Mountain, to private wine tastings and exclusive-use Safari Lodges.

KNOW MORE...

Hi There,

There is something special about working with groups, as you need to consider everyone and you have to make it fun.

We have worked on a USA Corporate End of Year Board meeting on Table Mountain, with a harpist playing, whilst champagne is served in the cable car, as all the board member asended to their 'mountain top' board room.

Then there was that international group of Chairmen from the steel industry, who dined out in a different city restaurant everynight and for their wives, we had personal shoppers, pamper afternoons and private specialist guides & drivers to keep them busy during the day.

And not forgetting the multi-generational family who went on Safari to celebrate an 80th birthday with birthday cake served in the bush.

There was also the lovely group of ladies, who had been friends for many years, they travelled out from Charlotte to walk along the paths that Nelson Mandela took, before going on their safari holiday with an exclusive-use lodge, reserved just for them.

These are just some of the examples and happy memories that our Qui Vado Team has been involved in over the years. If you would like something special, let us know ~ we have lots of ideas.

Warm Regards

Colleen
